SUBJECT: TANZANIA ASSOCIATES WITH COPENHAGEN ACCORD

REF: A. STATE 003079/80 B. DAR ES SALAAM 54 C. STATE 011182

Anna Maembe, Acting Director of Tanzania's National Environmental Management Council, confirmed to Econoff February 9 that Tanzania had associated in writing with the Copenhagen Accord during the week of Feb. 1. In an earlier discussion in follow-up to Ambassador's demarche to FM Membe (ref B), Maembe noted that Tanzania takes climate change seriously because of its domestic impact, including the threat to popular tourist destinations. She stressed the GOT's interest in working with the U.S. on adaptive measures.
